We understand the content and the consequences of these rules. We acknowledge the responsibility of the athlete to adhere to said rules and that we are legal residents of the City of Medford.

We acknowledge that even with the best coaching, use of the most advanced protective equipment and strict observance of the rules, injuries are still a possibility. We recognize that on rare occasion, the injuries can be severe.

We, the undersigned in consideration of the above statement, hereby grant authority to the Medford High School Athletic Department or its representatives to secure the necessary treatment at an appropriate, qualified medical facility in my absence.
