

## Italian: Grade 6

- Acquire a more solid grasp of vocabulary
- Express likes and dislikes
- Make noun/adjective agreement
- Develop speaking, listening and writing skills. Expectation for achievement in these areas is limited to short sentences and lists
- Explore contributions from Italian culture

## Italian: Grade 7

- Use common vocabulary topics such as number, colors, time, weather, etc. with greater ease and assurance
- Achieve some comfort with common regular verbs of the first and second conjugations
- Understand the concept of masculine, feminine, singular, plural, and noun/adjective agreement
- Practice speaking skills, as well as listening skills
- Produce a short writing assignment at least once every two weeks

**For any questions or concerns  
contact Ms. DeBari  
mdebari@medford.k12.ma.us**

## Italian: Grade 8

- Use new vocabulary relating to family, home, clothing and food and the environment
- Use the present tense of many regular and irregular verbs as well as a language-specific variety of verbal expressions
- Recognize and manipulate object pronouns
- Acquire cultural information as per the text
- Speak daily and write creatively, even if briefly, at least once every week
