

## **NYC TRIP ITINERARY CHANGE**

October 13, 2011

Dear Parents of 8<sup>th</sup> Graders,

In our efforts to secure a Broadway Show for this year's trip to New York, we have discovered that reservations are complicated. The theatre demands that we pay for tickets immediately. This is risky for two reasons; (1) We have not collected enough money at this early stage to purchase the tickets and, (2) We have no idea about the number of students participating. It is possible that we could lose money or not have enough tickets for the students attending. As a result, we have altered the itinerary as stated below. We can attempt to add a Broadway Show once we have the necessary information, but it is unlikely that enough tickets will be available.
