Wednesday, April 4	UPS pick-up by 3pm	

Notes to teachers:

Sessions provide ample time intentionally. It is fine for you to move students based on when they complete sessions. It is also fine to resume regular classes once the majority of your students have completed the session.

Provide breaks as you see fit.

Remember: NEVER allow students to carry their test materials outside of the classroom. Do NOT allow students to bring their test materials to the library if they need additional time.

Keep test materials secure before and after sessions.
