**Medford School Committee
Committee of the Whole
September 12, 2016**

The Medford School Committee Committee of the Whole was called to order at 5:30 p.m. by Mayor Stephanie M. Burke in the McGlynn School Cafeteria.

The following members were present: Ann Marie Cugno, Erin DiBenedetto, Kathy Kreatz, Mea Mustone, Robert E. Skerry Jr, Paulette Van der Kloot and Mayor Stephanie M. Burke. (7 present 0 absent)

Also present: Superintendent Roy Belson, Assistant Superintendent Diane Caldwell, and Director of Buildings and Grounds John McLaughlin.

The committee toured the McGlynn facility. The tour included the following:

- Outside curbing
- Playground area
- Library
- Theater
- General corridors and classrooms

Many of the issues raised were not capital issues but rather maintenance projects that should be addressed over time.

The major capital issues were as follows:

- Long term replacement of playground
- Air conditioner compressors
- Curb and sidewalk repairs
- General technology upgrades

The time spent at the McGlynn did not allow a visit to the Andrews as originally planned. The committee discussed ways in which other buildings could be toured. It was suggested that members tour in small groups and each group take a building or two. No final decision was made.

The meeting was adjourned at 6:45 p.m.

Respectfully submitted,

Robert E. Skerry Jr.
Secretary
