

## **Job Title: Teacher of the Visually Impaired**

Medford Public Schools is seeking a Full Time Teacher of the Visually Impaired. Dual certification TVI/O&M is preferred.

### **Job Responsibilities include:**

Providing direct and consultative services for students aged 3-21 years in a public school setting, determining student need for services through evaluation, working collaboratively with school-based teams in developing and implementing student IEP's, teaching and/or modifying content based on appropriate curriculum, serving as a resource for training and consultation to school teams and families, and paperwork associated with evaluations, contract services, and other student-related and administrative reports.

### **Qualifications:**

- Master's degree
- Current Teacher of the Visually Impaired MA DESE licensure (or eligibility)
- Additional certification in Orientation & Mobility is preferred
- Ability to travel between schools and programs for itinerant services.
- Experience working with students with visual impairments within a school setting preferred.

### **To Apply:**

Please send cover letter, resume, and copy of license to (email preferred):
